~Eco Friendly Barbequing and Recycling Tips~

- Use an electric grill rather than gas or charcoal.
- If you do choose a charcoal grill remember that hot charcoal will melt your containers.
- Avoid paper plates, napkins, plastic utensils and cups. Try to use glass cups, washable dishes, and reusable napkins.
- Have separate containers for any plastic, glass, and aluminum.
- Distribute leftovers to friends and families don't just throw them away.
- Visit your local farmers markets for fruits and vegetables.
- Consider at home composting for left over food.

CONTAINERS- HOURS OF PLACEMENT

Please put away your trash containers after collection. Not only will your streets look nicer, but you will also be compliant with the Los Angeles County Ordinance (20.72.110) that designates specific hours for container placement at the curbside. If you have any questions or require any assistance, please contact our office to discuss the options that we have available.

20.72.110 - "No person shall place any solid waste or any container containing solid waste, at place of collection before 5:00 p.m. on the day preceding the scheduled collection of said solid waste, or leave any such container at the place of collection after 8:00 p.m. on the day of actual collection, or more than two hours after actual collection, whichever is later."

Bulky Item Pick Ups

Call today to schedule a FREE bulky item pick up. All customers are eligible to receive FOUR free bulky item pick ups per year.

Please remember that all bulky pick ups must be scheduled with customer service by no later than the day prior to collection. To avoid confusion UWS has asked drivers to only collect items that have
